

Recommended Reads for Toddlers

Toddlers are constantly on the move, exploring the world around them. Find books that match your child's current interest or favorite characters to build excitement and enjoyment into their experiences with books. Look for picture books with lots of pictures and rhyming, repetitive, or familiar storylines. Let your toddler lead the reading time by choosing where they want to sit, what they want to read, and when its time to turn the page.

TIP: Look for these board books on the short white bookcases in the Little Room. They're shelved in alphabetical order by the first letter of the author's last name.
