## Main Level

For maps of the upper and lower levels, see other side! →

All main levels of the library are **handicap & stroller accessible!** The elevator can be found on the main level in the adult fiction section near the restrooms. If you need assistance finding materials on the paperback balcony or any other area, please ask at the desk.

Men and women's restrooms can be found on the main level as well as upstairs in the children's area. The restrooms on the main level have changing tables and are handicap accessible.

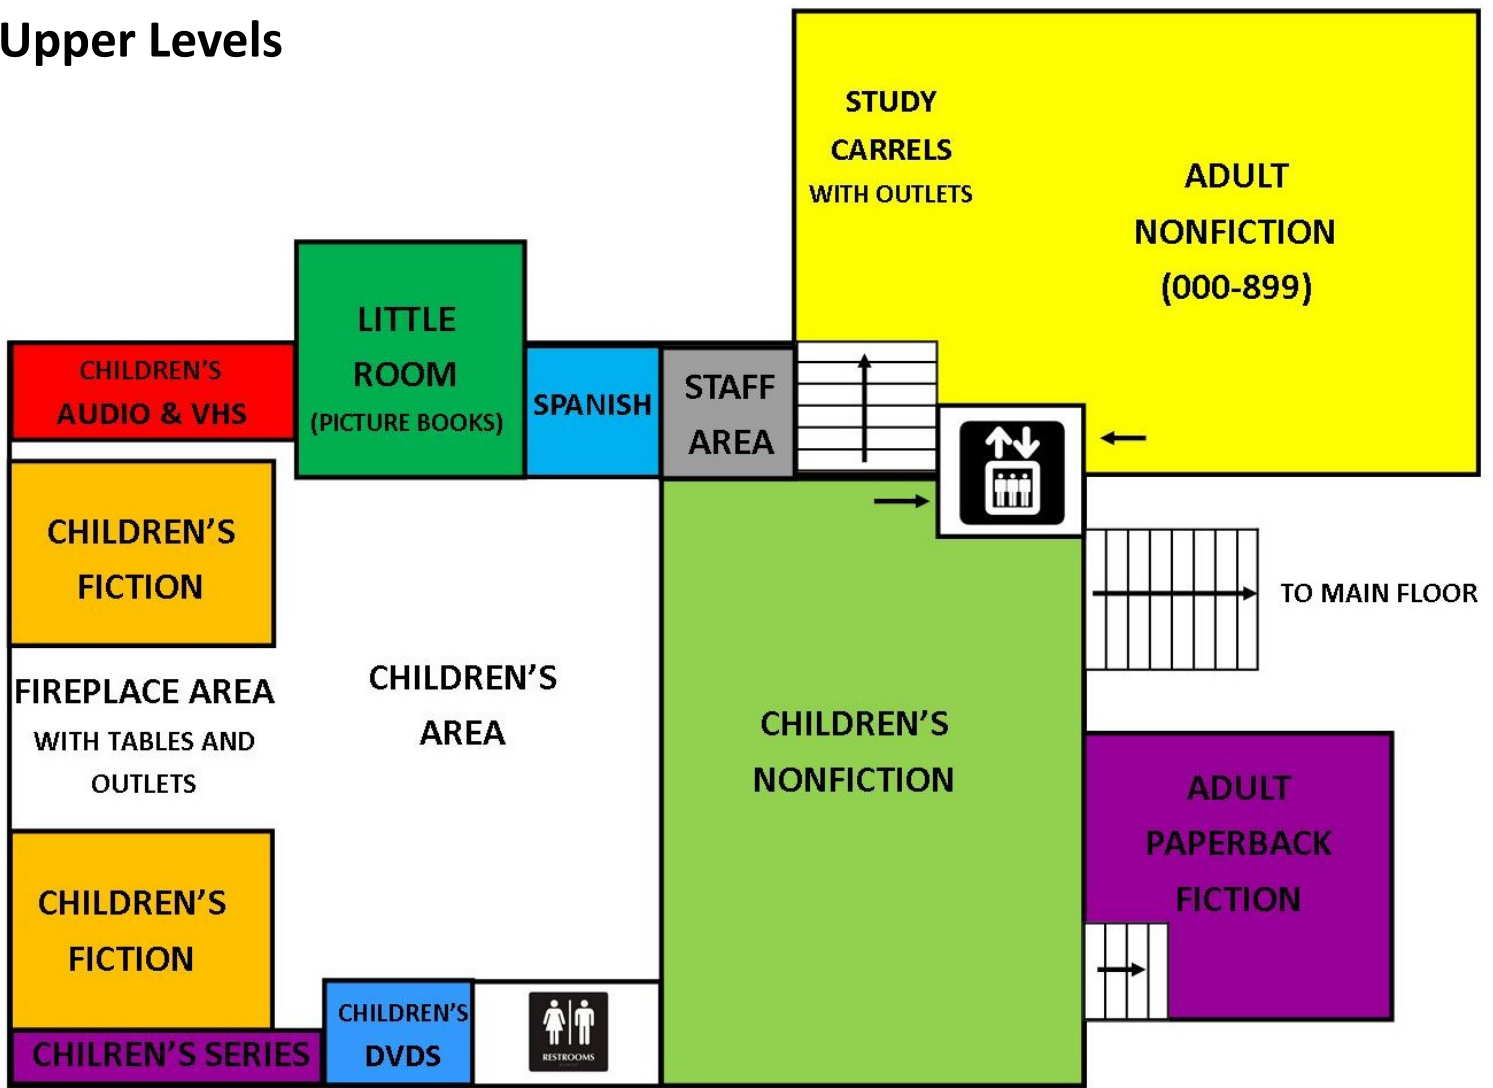

Wireless internet is available throughout the library. To connect, all you need to do is agree to Dakota County's terms of use.

Quiet study carrels with outlets are available on the upper level in the adult non-fiction area. Tables with outlets can also be found near the fireplace in the children's area, on the main level, and on the lower level. Need more space for a study group or meeting? Our meeting room can be reserved—at the desk or by phone—for non profit use.
