

In Memory of a Loved One

A tree or park bench may be placed in the park of your choice in honor of a loved one.

Tree varieties that grow well in our climate include Linden, Maple, and Oak (Oaks are slow growing).

The City of South St. Paul will plant and care for your tree and replace it if it should become damaged or diseased.

Should you chose to donate a bench to be placed in one of the City Parks or along one of the City's public trails, a plaque will be placed on the bench in memory of your loved one.

*The City of South St. Paul
would like to thank you for
considering this heartfelt dedication.*

Memorial Park Bench, Tree & Memory Path Program

About the Program

The Memorial Bench & Tree Program honors the memory of a loved one.

Through the Memorial Bench & Tree Program, relatives and friends can provide a unique dedication to loved ones by placing a tree or bench in one of South St. Paul's parks or along a City trail. This dedication provides a lasting remembrance in honor of a loved one and enhances the meaning of a bench or tree to observers. The gift is also a valuable contribution to the park system to be used and enjoyed by all.

Simon's Ravine Memory Path (1308 No. Concord Street)

The arrow-shaped Memory Path at the Simon's Ravine Trailhead became a reality through the community leadership of the River Environmental Action Project (REAP). The commemorative pavers that make up the path were originally sold as a fundraiser to offset the cost of the beautiful American Indian sculpture located at the trailhead. Individuals, families, businesses and community organizations purchased pavers that make up the Memory Path, now leading to the sculpture, during their fundraiser which concluded in 2007.

If you missed the original order and installation, you, your family, business or organization still has the chance to purchase a paver to add to the Memory Path. Pavers are 12" X 12" and available to be personalized a total of 19 characters per line, maximum of two lines. Personalization will appear in all capital letters. Ordering and installation will occur two times per year sponsored by the Parks and Recreation Department.

The City of South St. Paul will be responsible for the installation and maintenance of your gift.

BENCHES:

The City of South St. Paul will provide a concrete pad for the bench and also secure it for you. Benches are made from recycled materials in cedar color providing low maintenance and UV protection. An engraved 6"x 4" plaque will be attached to the bench.
