About the Future of the Library

TOWN HALL MEETING

Wednesday

Dec. 18th
7-8 pm

Council Chambers @ City Hall
(125 3rd Ave N, SSP)

Help us write the next chapter of our community by participating in discussions and surveys about the future decisions regarding the City's library. The public town hall meeting aims to educate our residents and discuss your vision for our library. This will be followed with a survey to help the SSP City Council and Library Board in their decision-making process. The survey will be mailed out to all SSP households in early January and will also be available on the City's website. The decision on whether to remain a city library or to approach Dakota County about becoming part of the Dakota County system will be made in late February.

MODERATED BY: Charlie Thompson, President/CEO of Neighbor's, Inc.

PRESENTERS INCLUDE:

Kathy Halgren, SSP Library Director
Joel Hanson, SSP City Administrator
Margaret Stone, DCL Library Director
