online!

If you could choose to have any amazing ability, what would it be? Let's all put our special gifts into a story! We will learn music and choreography from **Encanto** or **Sing 2** and create our own musical! Everyone will learn how to put together a professional show from start to finish. Learn how to properly speak your lines, block a scene, develop your character, and much more! No experience necessary. All that is needed are comfortable clothing and lightweight sneakers or dance shoes. Friends and family are invited to a special performance beginning the final 30 minutes of the last session.
