

City of South St. Paul Notice of Public Meeting

The City of South St. Paul will be hosting an informational booth from 2:00 p.m. – 4:00 p.m. on Wednesday, August 4, 2021 at the South St. Paul Farmers Market located at 12th & Southview in the Wakota Credit Union Parking Lot, to provide information on the City's Storm Water Pollution Prevention Plan.

This event is an opportunity for residents to learn about storm water issues as they pertain to the City's Storm Water Pollution Prevention Program (SWPPP).

For those residents who are interested in these issues, but are unable to stop by the booth, please feel free to visit the City's website to review the SWPPP or contact the Engineering Department at (651) 554-3210.
